

## ***LevelSet: Early Feedback***

**Show your New Leaders where they are hitting  
and missing the mark.**

### **What *LevelSet: Early Feedback* Is:**

- A snapshot of the New Leader's navigation of corporate culture, key relationships, and team effectiveness.
- A web-enabled, multi-rater assessment tool.
- Developed in Fortune 1000 companies (based on New Leader Effectiveness Research).
- Most effective when used in conjunction with a structured and integrative leader onboarding/alignment process.

### **How You Benefit:**

- Protect your investment in high-value hires.
- Help New Leaders succeed – add a proven, unique tool to your onboarding toolkit.
- Identify where your New Leaders are on track, and where they may need assistance.
- Give New Leaders feedback early enough to course-correct.
- Decrease derailment, and speed time to performance.

***New Leader Success = Feedback + Knowledge + Relationships***
